# URBAN DESIGN WORKSHOP

## ARCHITECTURE INTERNSHIP PROGRAM

AT VSB – TECHNICAL UNIVERSITY OF OSTRAVA
CZECH REPUBLIC

Explore. Analyse. Design. Present.
Real Urban Challenges in a European City.

**Program Period**
**1 February – 10 February 2027**
8 working days
(Mon–Fri + Mon–Wed)
Weekend free

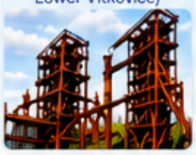
**1st Application Deadline**
**30 November 2026**
**2nd Deadline** (if seats are there)
**15 December 2026**

**Last Date to Apply for Visa**
**31 December 2026**

**Program Fee**
**€100**

## PROGRAM HIGHLIGHTS

**City Study**
History, present form and urban structure of Ostrava (including Lower Vitkovice)



**Site Analysis**
Maps, data, problem mapping and team consultations

**Design Concepts**
Urban structure variants and innovative ideas

**Urban Economics & Regulation**
Density, land use, balance indicators, regulation principles

**Final Presentation**
Design drawings, balance table, panel review & exhibition

## WORKSHOP FLOW — 8 DAYS, 5 PHASES

**1 Day 1 — Introduction**
Welcome, lectures and guided city tour (Ostrava, Lower Vitkovice)

**2 Days 2–4 — Understand the site**
Site visit, analysis, problem map, team work and concept development

**3 Day 5 — Test**
Urban economics, balance indicators and regulation principles

**4 Days 6–7 — Work out**
Urban design, regulation drawing, balance table, panels

**5 Day 8 — Present**
Final presentation, review and exhibition

## THE TASK

Teams work on a specific, relatively small urban area in Ostrava. They do not design individual buildings, but develop a small-scale urban structure or group of buildings, tested by basic figures and a simple financial estimate – introducing the basics of urban economics, not as an extra subject, but as a tool to check the design.

## EXPECTED OUTPUTS

- Problem map of the site
- Urban concept with variants
- Urban design of the area
- Regulation drawing (building lines, heights, plot coverage, public space)
- Balance table: areas, population, public space, rough cost estimate
- Presentation panels and final presentation

## INDICATIVE CONTACT HOURS

| | |
|---|---|
| Lectures and methodological input | 12 h |
| Studio work with consultations | 15 h |
| Field work (city tour, site visit) | 6 h |
| Presentations, reviews, closing | 8 h |
| **Total** | **approx. 41 h** |
